## Is Government Tackling Shadow Banking Crisis or Delaying it?

The crisis in the shadow banking sector has been fostered by the fact that the lending operations of NBFCs or HFCs are poorly regulated and the uncertainty associated with the strategy -- borrowing short-term loans and lending for long-term projects -- needs a critical regulation. But the government and the RBI's handling of the crisis by only encouraging borrowings for NBFCs and not monitoring their lending operations may only delay the crisis but not solve it. ## Truth and Fairness of the Auditing Profession

"Auditors help regulators, the government, investors, bankers and the public at large, not just the shareholders who appoint them. Hence, the current clean-up drive is badly needed and must be sustained to ensure that it is not limited to a few incidents that penalise just a few high-profile accountants. The first step would be to empower CAs who want to act independently," argues Debashish Basu, editor, Moneylife.in. [Watch here...](#)

### DO YOU KNOW

If you don't keep a certain amount of money in your account, banks deduct money from your account?

If you do not maintain minimum balance, you are charged from 20 to 600 per month or more!  
This is only one of the many charges that banks are imposing.

## Bank Charges Must Go Now!

Bank charges come in multiple forms: non-maintenance of minimum balance, cash withdrawals and deposits at bank branches and ATMs, cash deposit at Cash Deposit Machines, balance inquiry and mini-statements from ATMs, annual charge on debit cards, regeneration of ATM PIN from bank branches, SMS alerts, change of address or mobile number, changes in KYC related documents etc. All of these directly hurt the poor most.
