

## Reimagining Renewable Energy for this Earth Day

It is the right time to critically rethink and reimagine a world where energy systems do not destroy the resources necessary for life and livelihoods. [More >>](#)

## Engaging the youth this Earth Day

We need to pressurize big corporations to operate sustainably and demand that all investors invest in environmentally and socially just projects. [More >>](#)

## Remembering the Challakere Case

The *Challakere* case is important to remember because it was the first time that any court or tribunal in India acknowledged the potential adverse effects of solar power in any form. [More >>](#)
