Why Should We Care About Development Finance? ...because it’s our money!

Vol 6, Issue 01, July 01, 2022

The Economy This Week!

We are happy to enter the 6th year of Finance Matters. This journey wouldn’t have been possible without you, dear readers. Your comments, suggestions, ideas, and constant support keep us striving for more. As the world plunges into a deeper economic and financial crisis, we will continue to report analytical, critical and timely stories from the world of finance.

Thank you for standing by us.

Roadshows in the US to sell IDBI Bank! Why not allow LIC to own it?

"Banking is a very good business if you don’t do anything dumb," goes an anonymous quote. But the government is in a mad rush to sell public sector banks, public assets, and public sector enterprises. Though it has named IDBI Bank as a private bank, it is not really true because the government holds a 45.48% share in it while LIC, which is again a public sector undertaking, holds 49.24% in IDBI Bank.
