

## Coal Fly ash- a threat to our food and water security

Between 2010 & 2020, India has witnessed more than 76 fly ash related incidents with 8 major fly ash dyke breach incidents happening only between 2019 and 2021. [More >>](#)

## Solar parks – casting shadow over already ignored open natural ecosystems

Despite the biodiversity flourishing in these lands, big power plants have come up without having to apply for green clearances. [More >>](#)

## Book Review: Tackling climate crisis, the science fiction way

In the Ministry for the Future, a set in the 2040s, author Kim Stanley Robinson weaves together a coherent mix of fact and fiction around the climate crisis. [More >>](#)
